 - **Soft Skills:** Team Leadership, Communication, Organization, Presentation, Time Management, Work, Under Pressure, Fast Learner, Decision Making.
-

COURSES

- Presentation Skills at **El Shorouk Academy**. 6 Jun 2023
- HTML & CSS at **Mahara-Tech**. 3 Aug 2024
- HTML 5 at **Coursera**. 7 Sep 2024
- Cyber Security at **IMPACT with BUE**. 22 Nov 2024
- Artificial Intelligence at **IMPACT with BUE**. 4 Feb 2025
- Frontend Diploma at **Route Academy**. 25 Feb 2026
- Frontend at **Elevvo**. 4 Mar 2026
- Introduction to Cyber Security at **Cisco**. 15 Jul 2026
- AI for you at **Oracle University**. 1 Aug 2026
- Frontend at **ITI**. 9 Aug 2026

ACTIVITIES & VOLANTER

- **Non-Technical Member in IEEE:** Oct 2022 – May 2023
Contributed to event planning, logistics, and communications for 4 technical workshops.
Collaborated with cross-functional teams to ensure smooth event execution.
 - **Human Resources Member in IEEE:** Oct 2023 - Oct 2024
Supported recruitment drives that branch membership by 15%.
Coordinated member relations and assisted in planning 2+ branch events.
Maintained HR records and assisted with performance tracking for 10+ members.
 - **Head of Human Resources in IEEE:** Oct 2024 - May 2025
Led end-to-end recruitment for 20+ new IEEE student members per cycle.
Designed and implemented onboarding processes, reducing ramp-up time for new members by 30%.
Organized 2 internal events focused on member engagement and professional development.
-

EVENT & COMPETITION

- **YLF Competition with IEEE.** 14 Sep 2024
 - **Electrovision with IEEE.** 3 Dec 2024
 - **TechTalks with IEEE.** 30 Apr 2025
-

PROJECTS

- **JavaScript Training Projects (6+ Projects):**
Built 6 progressive JavaScript assignments covering DOM manipulation, ES6+ features, and event handling.
Implemented SCSS architecture across all projects for maintainable, modular styling.
Passed 2 timed JavaScript exams demonstrating solid understanding of core concepts.
- **Frontend Development Training Projects:**
Completed project-based curricula at Route Academy and Elevvo covering HTML5, CSS3, and JavaScript.
Developed 5+ responsive web interfaces using Flexbox and CSS Grid layouts.
Applied cross-browser compatibility practices and semantic HTML standards.
Integrated Bootstrap components to accelerate development of responsive UIs.
